SUMMARY

I am an enthusiastic front-end developer and a third-year student of information technology at UNEC. I am skilled in technologies such as TypeScript, Redux, and React.js. I pick things up quickly, enjoy a challenge, and am keen to contribute to practical software projects while honing my technical skills. I'm a quick learner with excellent debugging and problem-solving abilities.

WORK EXPERIENCE

Front-end Developer , Millisoft

Jun 2025 - Present

- Continued developing and maintaining key features of existing projects, including task management and user role interfaces.
- Collaborated with the team to expand functionality, improve UI/UX, and implement scalable solutions as part of ongoing product development.

React Developer intern, Millisoft

Mar 2025 - Jun 2025

Projects developed during internship:

Todo Project

- Integrated APIs for task creation, editing, deletion, as well as user login, email change, profile updates, and managing labels and tags.
- Built a functional Kanban board and implemented dynamic task flow across different stages.
- Developed reusable components using React.js and managed global state with Redux.
- Ensured a responsive, accessible UI using Shadcn UI and maintained code quality with TypeScript.

Sensible Project

- Built several menus from scratch for managing roles like commission staff, cashiers, and payment verifiers, integrating them with backend APIs to perform full CRUD operations.
- Designed and implemented a fully custom production calendar using Hero UI component
- Collaborated within a team to develop scalable front-end features using React.js, Redux, Hero UI, and JavaScript.

DOST center - volunteer

Nov 2023-Jan 2024

ASAN service - volunteer

Jul 2023-Sep 2023

SKILLS

Technical skills -HTML & CSS, JavaScript, TypeScript, Tailwind, Bootstrap, Figma, Photopea, React.js, Context API, Redux, React Router, REST API, Git, RWD

Soft skills -Teamwork, Problem-solving, Adaptability , Resilience, Willingness to Learn, Deadline-Oriented, Creativity, Critical thinking

EDUCATION

UNEC

2022 - Current

Bachelor of Information Technology

Div Academy

May 2024-Nov 2024

Front-end Development

LANGUAGE

Azerbaijani (Native)

English (Intermediate)
